# LEADERSHIP OPPORTUNITY

## **Principal, Danebank An Anglican School for Girls, Sydney**

Established in 1933, Danebank is a thriving non-selective Christian girls' school. The school is known for its outstanding academic success and its positive, welcoming and dynamic learning environment, firmly rooted in a clear expression of the evangelical Christian faith. Building on ten years of outstanding leadership from Mrs Maryanne Davis, our next Principal will be a passionate educator and will bring a clear Christian educational philosophy, the pursuit of excellence, a strong personal faith and a genuine heart for enabling Danebank girls to reach their unique potential in Christ.
