SHELLHARBOUR ANGLICAN COLLEGE, NSW

Shellharbour Anglican College was established in 2004 as part of the Anglican Schools Corporation. Our mission is to 'build a learning community dedicated to excellence and equipping to serve'. The College has grown into a vibrant educational community, with over 700 students from Prep through to Year 12. With many new families moving to this beautiful area just south of Sydney, shaped by the Illawarra coastline and escarpment, it is an exciting time to lead the College through the next decade of growth.

We are looking for an outstanding educational leader, with an active Christian faith. If you are excited by the opportunity to inspire and lead the whole school community, to equip a generation of young people for a changing future, and to knit all of this together through a clear articulation and demonstration of the Christian faith, we would be pleased to hear from you.
