

Principal

Roseville College, Sydney

The Board of The Anglican Schools Corporation and the Council of Roseville College seek to appoint the eleventh Principal of the College.

Since its foundation in 1908, Roseville College has been known for its strength of community and for the warm and supportive environment in which girls thrive. Their academic, sporting and cultural achievements speak to their successes. More importantly, they develop their emotional, physical and spiritual wellbeing, providing them with a foundation for life.

While we have the ethos of a small school, excellence permeates all we do and we are large enough, with 1,000 students, to cover a breadth and depth of learning opportunities. The College's strong Anglican foundations guide us, informing the culture of service, caring for others and welcoming all. We continue to challenge ourselves: opening our new Preparatory School earlier this year, and our new Sports Centre later this year.

Our next Principal will be an inspiring Christian leader of our students, families and staff, ensuring that Roseville continues to offer our girls an exceptional education and providing for the College's long-term sustainability.

Odgers Berndtson is assisting with this appointment. More information on the role can be found at www.Odgers.com/91939. For a confidential conversation, please contact Sophie Malone on +61 2 8905 3703.

The closing date for applications is Monday 16 September 2024.
